"Noxious Weed Program" Educational Presentation

WHEN: Wednesday, October 14th 2009 7:00 pm

WHAT: A presentation will be given by Dana Goggon with the Kitsap Noxious Weed Program. She will identify those species which are classified as invasive, how they may be dealt with and the importance of dealing with them. She will answer questions on the general topic as well as specific problems you may have.

WHO: Open to the public, WFFA members and family, friends, and neighbors.

WHERE: Silverdale Community Center - the Poplar Room, which is the chalet-type building on the back side from Silverdale Way. The address for the Community Center is 9729 Silverdale Way, Silverdale WA.

Please take note.....

You may have noticed that our email address has changed? It is now samjoystock@gmail.com.

FUTURE ACTIVITIES: There is nothing planned until after the first of the year. We will have our annual meeting in early February. A tour to the Simpson state-of-the-art saw mill in Tacoma is on the docket for spring.

Joy and I will be gone until October 12th. If you need a WFFA contact while we are gone, you may call or email Erica at the WFFA office (360-736-5750 or info@wafarmforestry.com).

See you next month!
