ASSOCIATION

## Spokane Chapter of Washington Farm Forestry Association

**WHEN:** Tuesday, February 23<sup>rd</sup> Dinner from 5 PM to 6 PM.  
Business meeting and speaker thereafter.

**WHERE:** Old Country Buffet in Franklin Park Mall N Division

**PROGRAM:** Kathy Hutton

Want to find out more about where to get and how to grow native plants, shrubs, deciduous trees and grasses for your tree farm?

The Spokane Chapter of the Washington Farm Forestry Association is pleased to welcome Kathy Hutton from Plants of the Wild.

Kathy is the energetic manager of the friendly nursery located in Tekoa, Washington.

Specializing in quality native plants for restoration and reclamation projects, the nursery is also a tremendous resource for all of us who are trying to make our tree farms flourish.

So come join us for "Using Native Plants on your Woodlands: Great ideas and materials from Plants of the Native Wild Nursery" by Kathy Hutton. Bring a Friend!

Old Country Buffet requests that the meeting room be vacated at 7:30.
