

# Upper Puget Sound Farm Forestry Association

Chapter of the Washington Farm Forestry Association

By Chuck Holland, Secretary/Treasurer

Minutes of the Association's Annual Meeting of November 13, 2010  
Loyal Heights Community Club

Upper Puget Sound again had its Annual Meeting at the quaint Loyal Heights Community Club, a former two room school house. Attached is a photo of all standing on the school's front steps.

We enjoyed a delicious potluck lunch, with Bill Wood's renowned fruit juice and apple pie.

At this meeting Jim Owens was elected President, Mike Blais Vice President and Chuck Holland, Secretary/Treasurer.

Chuck Holland also gave the annual Secretary/Treasurer's report. Re-elected President Jim Owens outlined the activities that have been done during the past year between annual meetings.

It was an incredible year for Upper Puget Sound, with the two tree farm work parties, the tree farm tours and the Washington Tree Farm of the Year, Valhalla Tree Farm from Upper Puget Sound. We will also have the fun Christmas wreath making party at Samantha Hicks home, on December 4th.

Chuck Holland gave the meeting presentation on what is new with log exports, and showed a video of a log ship being loaded. There was lively discussion afterwards.

Chuck Holland  
UPSFFA Secretary/Treasurer
