

Forestry Fun Day

Tips to developing a healthy forest from the forest floor to the tree tops!

May 15, 2010
9:00 AM - 3:30 PM
LUNCH WILL BE PROVIDED

Classes will encourage interaction from participants.

All ages are welcome! Activities are planned throughout the day for youth. However, youth under 14 must be accompanied by an adult.

Hands on teaching will provide you with valuable skills to use on your forested property.

Professionals will be available to answer questions about opportunities for landowner assistance.

Classes offered indoors and outdoors

Learn!

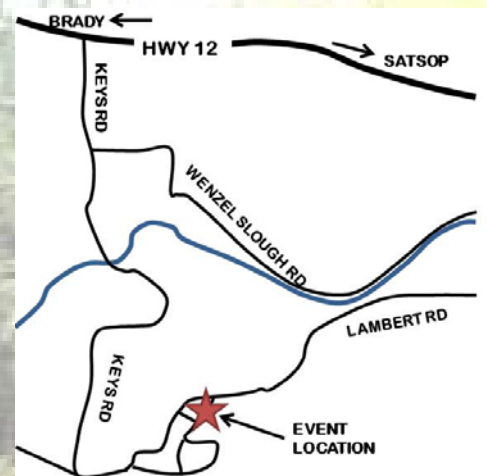

- *How to identify common trees & shrubs
- *Insect & disease basics
- *Wildlife habitat enhancement
- *Density management
- *Seedling selection
- *Tree planting
- *Planting the right tree seedlings for your property
- *What to do about wildlife damage.

Representatives from the following agencies will be available for questions:

- Dept. of Natural Resources
- WSU Extension
- NRCS
- Grays Harbor Conservation District (GHCD)

Directions:

The event is located at the Satsop Development Park: 100 Technology Lane, Elma. From Hwy 12 near Satsop take "Keys Rd" heading south. Stay left and follow event signs.

Will the value of your forested property increase without forest management?
How can you make your forested property more valuable for wildlife?
If you would like to know the answer to these questions and more, this workshop is for YOU!
