

JOIN THE WFFA GREEN BOTTLE GANG!

The Washington Farm Forestry Association (WFFA), in an effort to propose a balanced budget for the upcoming July 1, 2010 to June 30, 2011 year, is providing you with an opportunity to join the **GREEN BOTTLE GANG!**

The **GREEN BOTTLE GANG** will receive a limited offer, special aluminum alloy, high quality, water bottle that is ever green. Owning this special water bottle will signify your membership in the gang and your 'beyond the call of duty' support of the WFFA.

The cost to join is \$250 per bottle and you can order as many as you want!

Our real goal is to raise an additional \$7,500 to help us reach a balanced budget and continue to provide a viable presence in Olympia for policy and legislative efforts.

GREEN BOTTLE GANG members may be those who have benefitted from the association's past work to provide relief from the need to file a development moratorium lien on your forestland, who have received a true B&O tax exemption on a harvest over \$100,000, who have received a FREP payment, or who have improved your tree farm with a Family Forest Fish Passage Program project, all products of the WFFA's efforts. Or you may be someone who just recognizes what value our presence in Olympia brings to you or your business.

This opportunity starts now and runs until June 15th. It is first come/first serve for the original order of 30 bottles (**only 15 left as of 5/26/10**). Just send your name, phone number, and address, along with a check (or credit card info – see below) made out to **WFFA - Green Bottle Gang** and a bottle will be sent to you. Or stop by the WFFA office Monday – Thursday, 8 AM – 4 PM and grab and go!

Treefully,

Rick Dunning, Executive Director
Washington Farm Forestry Association
