

Fred Smith, of Anglatin Ltd, has planned a woodlands forestry tour of Portugal and Spain for May 26 – June 3, 2017. Fred has led many excellent forestry tours for us in past years. Learn about cork oak trees and olive trees in Portugal, as well as forests in 2 National Parks in Spain. If interested, contact information for an itinerary and the enrollment form can be found on the Anglatin website, under thematic tours. http://www.anglatin.com/tag/agriculture_horticulture
