

## **WFFA Annual Meeting – May 20-22, Sun Mountain Lodge, Winthrop**

The theme “Wildfire - Building Community and Forest Resilience” may not appeal to west-siders, but in the past 2 summers, wildfires in Lewis & Thurston Counties have burned timber and homes and reminded us that we are not immune to fires. It promises to be an interesting meeting, and also provides an opportunity to visit a popular tourist destination mid-week and stay at a beautiful lodge for a bargain price.

You should have already received an email or printed announcement of the meeting, but if you didn't, you can access all of the information at the WFFA web site, [wafarmforestry.com](http://wafarmforestry.com), or by calling Kelly Zandell, 360-388-7074.

Chapters and members have been asked to donate raffle items. If you would like to donate something, please contact Kelly Zandell at 360-388-7074 or [info@wafarmforestry.com](mailto:info@wafarmforestry.com). If you won't be attending, arrangements can be made to get your item to the meeting.
