## 20th Anniversary of Forests and Fish – Past, Present & Future

The Olympic, South Sound and Grays Harbor Chapters of the Washington Farm Forestry Association (WFFA) invite you to join us on the Kitsap Peninsula on May 2-4, for our 2019 Annual Meeting (AM19). The Best Western Silverdale Beach Hotel in Silverdale is the location for events on Thursday and Friday. Details on registration, location, lodging and driving directions are available on the last page. The Silverdale Beach Hotel has offered special room rates of \$94 plus tax (available until March 30).

Twenty years after Forests and Fish is an opportune time to review where we've been, where we are, and where we and others think we are headed. Historical views on the State's Forests and Fish commitments (past); updates on 20 years of legislative and regulatory efforts (present); and crystal ball predictions for the future by natural resource leaders (future) will provide multiple perspectives aimed at answering: How do family forest owners fit into the future needs and aspirations of other agencies/stakeholders? Do family forest landowners and rural Washingtonians matter? Will future generations feel the love from city folks? Will they have a greater "social license" making it *Cool to be a Tree Farmer*?

### *May 2, 2019 – Early Arrival Check-in and Registration Packet Pick-up and Evening Gathering*

We will offer check-in starting at noon on Thursday for those opting to arrive early. While the Executive Board meeting is being held that afternoon, plan to beachcomb on the Silverdale waterfront, visit local shops in Silverdale or venture in to the nearby towns, such as historic, Norwegian Poulsbo, to peruse the local specialty shops. We invite you to meet at 5:00 PM for an informal evening gathering (dinner on your own) in the hotel restaurant, the Beach Front Martini Lounge. Arrive before 5:00 to enjoy the restaurant's Happy Hour pricing on select beverages and appetizers. Be sure to wear your AM19 name tag and be ready for our raffle kick-off. This is a great opportunity to visit with your WFFA friends, old and new.

### *May 3, 2019 – WFFA Annual Meeting: 20th Anniversary of Forests and Fish – Past, Present & Future*

Friday's program will offer a full day of top-notch speakers. The morning focuses on family forest landowners' roles historically, currently, and as a critical part of our forest land base including the perspective of landowners, scientists and agencies. The afternoon includes a panel discussion on economic viability under Forests and Fish including key stakeholder's visions for family forest owners in the future. Mixed into this information-rich program are many opportunities to celebrate our community: old-hands; upcoming talent; local talent; Washington Tree Farm Program's Tree Farmer of the Year; visit with our vendors and sponsors; and hopefully take home some really cool raffle items.

**Door Prizes** – After each of the three planned breaks, door prizes will be given out utilizing a free ticket for every registrant. Be sure to be seated when the breaks end as you must be present in the Ballroom to win.

**Raffle Fundraiser** – A raffle fundraiser will be held on May 3rd. Ticket holders must be present to win. All proceeds will be utilized by the host Chapters to defray the registration cost for our AM19 attendees to keep the Annual Meeting more affordable. Each Chapter is encouraged to provide at least one raffle item. To donate raffle items, contact Dick Alescio at [alesr\\_j@yahoo.com](mailto:alesr_j@yahoo.com) by March 15.

**Exhibitors and Vendors** – Welcome to our AM19 exhibitors and vendors. Those who are interested must register as an AM19 attendee and should contact Dick Alescio at [alesr\\_j@yahoo.com](mailto:alesr_j@yahoo.com) by March 15 to complete an exhibitor/vendor form.

**Sponsors** – Companies or individuals that financially sponsor the Annual Meeting will be recognized in the meeting program handout and during the AM19 events. Donations from sponsors other than monetary donations, including attendee swag bag items, door prizes and raffle items are also welcome. Sponsor donations will be used to diminish the registration cost for our AM19 attendees. Please contact Justin Becker at [justin.becker@northwestfcs.com](mailto:justin.becker@northwestfcs.com) by March 15 to become an AM19 Sponsor.

**Memorial to Honor Our Members Who Have Passed** – Our attendee binders will include a section that honors our WFFA tree farmers from around the state who have passed away. If you have a member to honor, please email their name, their birth year and year of passing, Chapter and a photo to Kelly Zandell at [info@wafarmforestry.com](mailto:info@wafarmforestry.com) by March 15.

### *May 4, 2019 – Field Tour of the Kingsbury Family's Five Springs Tree Farm*

The AM19 Field Tour will visit the Kingsbury family's Five Springs Tree Farm in Olalla. The Kingsbury family are proud members of our WFFA Olympic Chapter, 2017 Washington State Tree Farmers of the Year awardees, and Western Regional Tree Farmers of the Year. Join us under the event tent at the tree farm on Saturday morning for coffee and doughnuts. We will then walk on a well-maintained trail to view the Kingsbury's tree farm. (Note: there is vehicle access on the trail for those requiring assistance.) Throughout the walk, we will discuss the tree farm's many features and beneficial uses including: timber for lumber production on a sustainable yield basis, fish bearing waters, Christmas trees, wildlife habitat, floral evergreens and firewood. All prepaying attendees will then enjoy a lunch buffet, served by the host Chapters. This should be a great opportunity to see our theme, *20th Anniversary of Forests and Fish – Past, Present & Future*, in action!
