

# A Celebration of Life for Sherry Fox

We are very sad to report the passing of longtime WFFA member Sherry Fox

Sherry will be remembered for her incredible energy and contribution to the causes of small forest landowners in Washington State. Sherry served in multiple volunteer leadership roles for the WFFA at the local chapter and state level from 1993-2002, as the WFFA Policy Coordinator from 2002-2010, as well as the small forest landowner and contract logger representative on the Forest Practices Board from 2001-2008. Sherry's leadership was a testament to commitment to maintaining small forest landowners as a critical and viable part of the forested landscape of Washington State. Sherry and her husband, Tom, were also active in the Washington Tree Farm Program and were honored as the Lewis County Tree Farmers of the Year in 2003, Washington State Tree Farmers of the Year in 2004, and Western Regional and National Outstanding Tree Farmers of the Year in 2005.

Sherry and her husband Tom own Tree Management Plus, a full service forestry company focusing on non-industrial forest land owners. They also are forest land owners and received an 80 year multi-species Habitat Conservation Plan for their own family forestland in 2004. In 2013, Tom and Sherry received a Distinguished Service Award from the Lewis County Farm Forestry Association.

A celebration of her life will be held Saturday, November 21, at 5:00 PM at The Loft (547 NW Pacific Avenue, Chehalis, WA 98532) with a dinner and band to follow.

Cards may be sent to: Tom Fox, P.O. Box 311, Ethel 98542 or Alicia and John Bull, 330 Brockway Road, Chehalis, WA 98532.
